

January 2019 Parent Group Minutes

In attendance were Erin Dore, Michelle Ayotte, Jean Pillsbury, Brooke Turner, Chelsey Carrier, and Cynthia Kirk.

We raised over \$4000 on the Calendar Fundraiser. We have almost all of the prizes in the office, and the rest should be arriving over the next week. Brooke or Chelsey will draw every day and call the person who won.

We discussed items that the parent group plans on paying for through the rest of the year. Chelsey will attempt to make a budget for the next parent group meeting. These include an ice skating day, a movie night at Strand, the color run, t-shirts for incoming first grade, a large inflatable obstacle course for field day, and teacher appreciation week.

Cynthia is going to find out from the Rec Center if we could do an ice skating one Saturday in late January or February. The school received skates in a grant a couple of years ago so we would open it up to Bloomfield families to use skates and have a cocoa stand.

Chelsey is going to look into having a Bloomfield night at the movie theater in town. The parent group would purchase tickets and this would be a free event for Bloomfield Families. Families would pre-register so we would know if the theater could accommodate everyone.

The parent group decided to rent a large inflatable obstacle course for field day. Chelsey will make sure it is available on field day (11th or 13th) and if so, will book it.

Next Meeting date is February 6th at 5:30.
