

September 2018 Parent Group Meeting Minutes

In attendance were: Bobbi Folsom, Michelle Ayotte, Heidi Crouse, Allison Poulin, Katie Flannery, Jean Pillsbury, Brooke Turner, Cynthia Kirk, Chelsey Carrier

We did a brief overview of the events we've done in the past-movie/game nights, craft fair, t-shirts for incoming first graders, open house photo booth, teacher appreciation, first Friday teacher snacks, book fairs, fundraisers, and the color run. We are welcome to new events!

The book fair will be next week. We have volunteers set for evenings and Brooke is going to finalize day volunteers and setup details. We decided not to commit to having a scholastic book fair in the spring. We may decide to or may do a free book fair like we did last year.

We discussed different fundraisers. Cynthia Kirk agreed to run the calendar fundraiser where we solicit donations from businesses and individuals to place on a calendar. Calendars are sold for \$10 and each day there will be a drawing for a prize. We decided to do it the month of January and sell calendars at the craft fair. Each parent on the committee will attempt to get a few prizes.

Parent group will host a Fall Family Festival on October 19th in the Evening. Michelle will organize the event with different games and activities that will be free for Bloomfield Families. We will be looking for volunteers to help organize and run a mini station.

The craft fair this year will be December 1st from 9-2. We will have a separate craft fair committee this year to plan the event if anyone is interested. We will be purchasing more tables for the event. Chelsey will send out vendor forms in the next week.

Next meeting will be October 10th at 5:30. Every other meeting will be the first Wednesday of every month at 5:30.

Correspondence will be through email and parent group Facebook page.
